

## **Authorship Agreement Form**

Date:

"Authorship credit should be based only on 1) substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; and 3) final approval of the version to be published. Conditions 1, 2, and 3 must all be met. Acquisition of funding, the collection of data, or general supervision of the research group, by themselves, do not justify authorship, though it does justify acknowledgment."

By signing this authorship agreement and contribution form, authors agree that:

- Only individuals who fulfill the conditions for authorship criteria are included in this agreement
- All conflicts of interest, real and perceived, and funding sources have been reported.
